MEMORANDUM FOR: National Intelligence Officer for Latin America
FROM: Director of Central Intelligence
SUBJECT: Soviet/Cuban Activity in Central America

Clark wants to know why we can't get more of the tidbits showing the degree and scope of Soviet/Cuban activity in Central America out to the public. Start with my testimony yesterday, look for additional material along the lines of the attached, discuss it with Dewey, and see what can be brought together in sanitized form.

C
William J. Casey
